

## FSC Commitment Policy Statement

Grandis Timber Pty Ltd is committed to the principles promoted by the Forestry Stewardship Council of environmentally appropriate, socially beneficial and economically viable management of its forests.

In line with this, Grandis Timber is committed to the following principles:

- ✓ Adherence to ILO Core Conventions and all applicable Cambodian Laws.
- ✓ Adherence to all moral obligations within the communities it operates.
- ✓ Enhancement of the long-term social and economic well-being of its forest workers and local communities.
- ✓ Conservation of biological diversity and its associated values, water resources, soils and unique and fragile ecosystems and landscapes through maintenance of the ecological functions and integrity of the forest.
- ✓ Engagement with local people and communities within the area it operates.
- ✓ Economic viability of its forest operation and monitoring of its social and environmental impacts, both positive and negative.
- ✓ Continuous improvement in environmental management.
- ✓ Identification and management of all High Conservation Value Forests.
- ✓ The restoration and conservation of native forest areas.
